

# PNB Digital: Unavailability of One-Time PIN (OTP) Service on March 4, 2024

*Date Published: Feb 29, 2024*

We would like to inform you that the One-Time PIN (OTP) facility of PNB Digital will be unavailable on the date/period indicated below due to a scheduled system maintenance

**Dates : March 4, 2024 (Monday)**  
**Time : 12:00AM to 03:00AM (PST)**

Please plan or schedule your transactions ahead of time especially for the following transactions that require an SMS OTP authentication.

- Fund Transfer
- Bills Payment
- Enroll additional accounts
- Change/reset of their password
- Checkbook Reorder
- UITF Subscription/Redemption

You may schedule fund transfer and bills payment transactions in advance using PNB Digital. You may also enable your PNB Digital Key as an alternative to SMS OTP to authenticate fund transfer and bills payment transactions.

Thank you.
