PSE Disclosure Form 4-32 - Reply to Exchange's Query

Subject of the Disclosure

Update on Property Dividend Declaration of PNB

Description of the Disclosure

We write in response to the request of the Exchange to provide a further update on the total number of eCARs received from the relevant stockholders as against all those entitled to receive the property dividends. The Bank is also requested to disclose and/update any relevant information related to the declaration of property dividends, including PNB Holdings Corporation's plans of listing with the Exchange.

Information Requested

We wish to inform the PSE that PNB continues to process the issuance of the remaining electronic Certificates Authorizing Registration (eCAR) with the Bureau of Internal Revenue (BIR).

As of 01 August 2025, 1,823 eCARs have been issued to shareholders with certificated shares, excluding brokers/trading participants under PCD Nominee Corporation. This is an increase from the 1,215 eCARs issued as of 10 January 2025 update. We continue to work with the BIR for the release of the remaining eCARs.

As an update, PNB continues to coordinate with PNB Holdings Corporation (PHC) and other relevant parties to determine the most efficient process for distributing the PHC shares, with the objective of facilitating a smooth listing by way of introduction at the Philippine Stock Exchange (PSE).

Rest assured that PHC, and the relevant teams remain fully committed to the listing and are actively working to comply with applicable listing requirements of the PSE. The process is still underway and involves several considerations, including preparation of the necessary documentation, alignment with regulatory expectations, and utmost consideration for the best interests of existing and future public investors.

We appreciate your continued guidance and support as we move forward with the process.

Thank you.
