

One-time e-Nets Bank Account Registration

DBS d2Pay

For First Time Users

You will be prompted to perform a one-time DBS d2pay setup process where you designate a DBS or POSB savings or current account as your default debiting account as well as a daily payment limit. The selected account and daily limit will be used for all your future DBS d2pay transactions.

d2pay Setup

Please designate one of your DBS/POSB savings or current accounts and a daily payment limit for d2pay. The selected account and daily limit will be used by default for all your future d2pay transactions.

Select an Account Type	Please select ...
Please enter your account number (without the dashes)	Please select ... DBS Savings Plus POSB Savings DBS Current DBS Autosave Multi-Currency Autosave POSB Current
Select a d2pay daily limit Note : You can always lower this limit via DBS Internet Banking. However, if you wish to raise this limit, we would need your written authorisation.	

Submit Clear Cancel

For Subsequent Users

You will be requested to enter your User ID and PIN to authorize the payment. The amount will be deducted from your designated account and paid to the merchant automatically.
